

BIASBUSTERS

Pre-conference Workshop for ASEE GSW 2018 Participants

Wednesday, April 4, 2018

3:00-5:00 pm **FREE**

AT&T Executive Education and Conference Center, Room 201

This BiasBusters Workshop is modeled after the BiasBusters at Carnegie Mellon University and Google's Bias Busting@Work programs. This workshop is brought to ASEE GSW through a collaborative effort from the UT Austin Cockrell School of Engineering and the College of Natural Sciences.

The program has an academic tone, focusing on summaries of research evidence into which discussions of experience are woven. The role-playing, based on relevant and real life scenarios, has proved to be a powerful and effective approach for engaging participants creating commitments to greater inclusivity. This train-the-trainer version of the workshop will empower participants to not only explore their own opportunities to bust biases, but to also take the workshop back to their own institution and share with students, faculty and staff.

Conference Registration April 4-6, 2018

Early Bird

\$350.00 Non-ASEE Member

\$300.00 ASEE Member
